Church Family Updates!

First and foremost, I want to thank everyone

again for all the sacrifice and hard work put into our first "Free Garage Sale" here at the Angleton Church of Christ. For months leading up to the event, we had members bringing in donations and helping to pick up items from within the community. The week before a group met at the building every day to organize, sort, and separate those donations for easy accessibility, and on the day of our event we had over 40 members helping from start to finish. We abundantly blessed our community, but more importantly, we showed them, Christ, through our actions. We could've sold those items and brought in much-needed money to help with several new programs; however, that was never a thought in our minds. Hebrews 13:16 says, "Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God." I don't doubt that our giveaway was pleasing to our Creator. Every family that came through was shown love and reminded that we are ready with open arms if needed. I look forward to seeing how all our hard work affects the Church here in Angleton! Thank you!

Luke chapter 15 is a set of scriptures that focus on our attitude when things that were once lost become found. The parable of Lost Sheep, the

Lost Coin, and the Prodigal Son encourages us to rejoice when things "come home", regardless of why they left, or when they returned. One encouraging verse I want to share is Luke 15:10 which says, "Just so, I tell you, there is joy before the angels of God over one sinner who repents."

When someone obeys the Gospel and puts on Christ through baptism, they not only make their lives right but also cause an overwhelming joy and celebration in Heaven above! I wish I could be a fly on the wall and witness the outpouring of emotions that flow through Heaven when a child of God decides to be baptized.

I share these thoughts because the Angleton church of Christ rejoiced alongside the angels as we witnessed two people add themselves to the body of Christ. As was mentioned in worship this past Sunday, Amy Henry was baptized, and we are excited to call her our sister in Christ and worship alongside her. We also wanted to rejoice alongside Makayla Dunn who was baptized back in May but failed to make the announcement. We apologize that it took us so long to share that amazing news with you; regardless, we are so excited she made that decision! May God bless each of these wonderful ladies and may we as a congregation continue to encourage them and guide them on their daily walks with God!

Lastly, I wanted to welcome Caesar and Kathleen Vereen as members of our congregation. These two wonderful people are no strangers to this congregation, as they have been worshiping with us for quite some time, and we thought we might've lost them back to the Carolinas; however, we are excited that they are staying in our area and have chosen to place their membership with us here in Angleton. God bless them, and their work here!
