Updates!

This Wednesday we have Dakota Moody from Alvin, Texas speaking on our 2023 Summer Series, "The Moral of the Story." Dakota will be tackling the topic "The Rich Fool" from Luke 12:13-21. I have no doubt that the lesson will be an encouragement to all those who come to hear

it. For many people, greed isn't something we struggle with, but we know someone who does. I also believe the parable goes deeper than just that, and I look forward to what thoughts Brother Moody shares with us all. Per usual I have included a short bio of our speaker below.

Bio: Dakota Moody is the Family Life and Youth Minister at the Westside church of Christ in Alvin, Texas where he began in 2021. He is a 2021 graduate of Harding University where he obtained a bachelor's degree in Bible and Preaching. He is originally from Waynesville, North Carolina. He is married to Anna Moody, and they are in their third year of marriage. He also has a ministry-oriented social media platform called "Moody Ministries."

Out of the office!

Each year my family has the privilege to attend Peach Valley AIM Bible Camp all together. This is something that we look forward to every year, as it affords us an opportunity to grow closer to one another, friends, and most importantly our God. I have the privilege to teach a class each day to the 11-12-year-old boys,

while Catherine helps with a number of other activities including cooking and cleaning. The most amazing thing is that both our girls, Kaylee and Emery, have their own classes each day with several kids their own age, and it has already formed long-lasting relationships.

As much as we look forward to camp each year, we also get sad to leave our church family. We absolutely love each and every one of you, even if we don't tell you on a regular basis. I love nothing more than to preach and teach God's truth to this spiritual family, and I'm sorry to miss this coming weekend; however, I promise that I am leaving you in good hands. Sunday, July 16th, Brother Leland Rodgers will be speaking during the Bible study and morning worship hour. I normally would include a bio of our guest speakers, but Leland Rodgers is no stranger to this congregation. I look forward to hearing his lessons when we return back home.

Because we will be gone from Saturday the 15th through the next Friday, July 21st, I will not be available in the office. While I encourage you to reach out via text and call any time I am out of the office, it might be difficult to reach us this next week. The Peach Valley Bible Camp is located between Shiner, Texas and Gonzales, Texas, and cell reception for certain providers is limited. We are planning on taking a "pay-as-you-go" phone to have some contact with the outside world, but your texts and calls might not come through quickly. That being said, you are welcome to email me, which I should be able to check regularly.

On behalf of my family, we wanted to thank the elders for giving us this opportunity to go to camp. We also wanted to thank each and every one of you members for letting us go as well. We look forward to our return and already miss you dearly!
David Olmos
