From the Preacher's Desk—Updates!

We have several things going on in the next few months that we want to bring to your attention.

This Sunday is "Senior Sunday" and we will be honoring three of our youth as their time in high school comes to a close and their next chapter in life begins. Just as we do every year we are having a potluck luncheon. I want to encourage everyone in the congregation to stay and be a part of that wonderful fellowship opportunity. We always ask for people to bring some food to share, but even if you can't, or forget, we hope you will still stay. Not only will the food and fellowship be fantastic, but we will also take a moment to pray for our graduates and honor their hard work.

You've probably heard me talk a lot about our Water Bottle Ministry, and that's because it's working in ways I had hoped it would but didn't expect this quickly. In the past month, we've connected with many local businesses and companies to help provide water for a variety of events. Just last week we donated 250 bottles of water to the HEADSTART learning school which helps kids from birth to 5 years old develop and prepare for life in public school. I

had a meeting with the Angleton Recreation department about a water station during the summer, and just today a note was left on my door about another organization that would like to work with us for an event they have in July. The wonderful problem that we have is that we are out of water. What I would like to begin doing, the final Sunday of every month is encourage the members of this congregation to bring a case of water with them to worship services. If we take the time, once a month, to collect water, then we can ensure that we are ready for every opportunity that comes our way. All I've wanted is for the community to know that we are here to help, and they do! So let's show them, Christ, through our sacrificial actions! Please, if you can, bring a case of water with you this Sunday. Leave it in the foyer and we will take it from there!

Lastly, VBS is just around the corner! Thank you to all those who have shared the advertisement that is on Facebook. If you would continue to do that, we'd love to see a lot of young kids be a part of this great bible learning opportunity. If you are available to help in any way, from now until the end of June, please reach out and let us know and we will put you to work. Thank you to all those who have already given up their time to begin decorating!

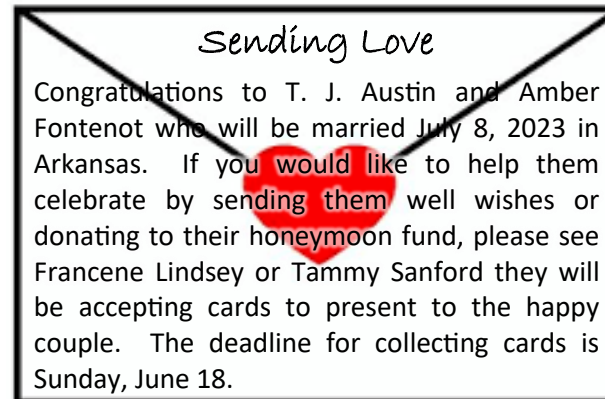

I hope you have a wonderful rest of your week! Don't forget that Summer Series flyers are in the foyer for you to take and share with your friends and family! If you need anything, don't ever hesitate to reach out! God bless! David Olmos

Thank you, again, to all who helped with our first VBS workday. We got a good amount done, but there is still much work to do. To our youth, we will be having a lock-in at our church building as not only a last hurrah before my departure, but to continue the work on VBS. To our adults, if you like the idea of staying up all night with teenagers, or at least would be willing to serve a time slot as a chaperone (e.g. 8 p.m. - 12 a.m., 4 a.m. - 8 a.m., etc.), please let me know! The date is still being discussed, though I'm leaning towards a Friday evening to a Saturday morning, perhaps June 16-17, but it's entirely up to the schedules of our kiddos. Thank you for all your help!

Upcoming Events:

- May 28 Senior Sunday
- June 4-10 Camp Bandina
- June 12 Jabberwacky in Wharton
