From the Preacher's Desk

Every Mother's Day here at the Angleton church of

Christ we do our very best to honor those wonderful women in our lives, and this year will be no exception. Sunday morning, after worship, we

will have something small for all the ladies in the congregation. You may be thinking, "All ladies? Why not just the mothers?" Celebrating and honoring all women in our congregation, just like we do for men on Father's Day, is very important to me. As a father of two young girls, who share an amazing mother; I am perceptive to the number of women who treat my children, as well as all our young kids, like they are family. A mother is someone loving, compassionate, endearing, kind, protective, and caring. I've seen every one of those characteristics, Godly characteristics, shared by the ladies of this congregation. For all that love and sacrifice we want to say thank you!

While Mother's Day is painted as a joyous occasion, and for most it is a day filled with love; I am not naïve about those who struggle on such holidays. For some, Mother's Day is a reminder of parents who have passed, or parents who didn't treat us the way God expected. It's also hard on those who never had children, for whatever reason. While the rest of the world celebrates, some feel sorrow. Your feelings are justifiable, and we hope our giving of gifts and merriment doesn't add more grief. Just know that we are thinking about you and praying for you always. So, this coming Sunday, as we celebrate our mothers, let's do our best to thank them for their sacrifice. Proverbs 31:25-29, "Strength and dignity are her clothing, and she laughs at the time to come. She opens her mouth with wisdom, and the teaching of kindness is on her tongue. She looks well to the ways of her household and does not eat the bread of idleness. Her children

rise up and call her blessed; her husband also, and he praises her: "Many women have done excellently, but you surpass them all."

Thank you, thank you, thank you! Monday morning, we dropped off 420 bottles of water, 12 crates, to the UTMB Hospital here in Angleton in honor of Nurses Week!

The marketing team reached out, after seeing us at a different event, and wanted to know if we could help, and our congregation answered that call! When we began this ministry I had hoped that people would be reaching out to us, instead of us making the first call. I never expected it to happen this fast! Our purpose was to spread information about our congregation to those in this community, and that is what we are doing! I am so thankful and proud of all those who have stepped up and sacrificed for this work. Those who wrapped bottles, packed crates, loaded, and delivered! I am especially grateful to those who have donated money to help buy water bottles and other equipment we need to help continue this great ministry. The beauty of our Water Bottle Ministry is that it's not seasonal. There is always a need for water, physically and spiritually, and as our relationship with the community grows, our hope to

focus on the spiritual soul will become more available! I cannot say thank you enough! We are already working on the next event, so if you'd like to help, we'd love to take it! Just find me and ask! God bless and have a wonderful week!
