JV Lectureship

This past Sunday evening I mentioned the upcoming 2nd Annual Jersey Village Lectureship that I have been asked to speak on. It is also the lectureship that Catherine and I have chosen to go to as a family to recharge our spiritual batteries. I wanted to share this flyer with those who showed interest. We would love to see every one of you there.

You might notice that they have their own "Area-Wide Singing" on Sunday, September 17th at almost the same time as our own. Catherine and I are excited about Angleton's singing afternoon and plan on staying for that and the fellowship afterward. So, don't forget to bring a snack to share with all those who come.

Lastly, on behalf of my family, I wanted to thank the elders and the whole congregation for allowing us this time away from the office to attend a lectureship each year. As our speaker mentioned this past Sunday, it's easy to get burned out if you are not careful, especially as a preacher. These lectureships give us the chance to sit back, listen, and learn, which is great for the soul. Even more so, the congregation benefits because I often hear great ideas for events or future sermons that I bring home. So, thank you for this opportunity. Even though my office doors will be closed the week of the 17th, that doesn't mean you can not reach out if you have a need. Call or text and I will be happy to help. God bless and have a wonderful week!
